

The Hunger Task Force Farm Admissions & Workshops

Admission Prices:

- Admission to The Farm is free
- Additional Workshop Offering – Cooking and Tasting Lesson \$100
- Transportation and meals/refreshments are not included

Description of Farm Field Trip

Students will enjoy a **morning** field trip to the Hunger Task Force Farm, a Milwaukee County Park, to visit a historic 200-acre farm that been reimagined into a unique asset within our community. The Farm is located in Franklin, about 25 minutes south of downtown Milwaukee. Students will experience a productive vegetable farm dedicated to local families in need, including a greenhouse, hoop houses and fruit orchards. In addition, 100 acres of nature preserve along the Root River corridor and a fish hatchery make a visit to The Farm a memorable and educational experience.

Tours are tailored to each group based on age, size and interest areas identified by their teacher. Topics covered during the tour include the mission/work of Hunger Task Force, what it means to volunteer, the history of The Farm, nutrition education, agriculture, natural history and environmental science.

Groups are welcome to stay on site after the tour to have a picnic lunch underneath the beautiful oak trees or out amongst The Farm's fruit orchards.
